

Dear Mr. and Mrs. Hemmelgam,

I want to thank you for 
all the books you let us get from
the Foundation by Alyssa Cares. I hope
you keep coming to Douth or other
different schools so I can read and
read just like Alyssa. I hope to see you
again. I appreciate your giving us books.
Thank you.

Sincerely,
Jarilex

Dear Mr. and Mrs. Hemmelgam,
I want to thank you for
giving me and my class two

here with us, but you can still
carry her in our memories. I
really appreciate your time giving
us books. I really like what your
doing for Alyssa's memory. And
I hope she dose to.
