Dear Hemmelgarn Family,

Thank you so much for sharing the gift of reading with our school. Your kindness and generosity is beyond appreciated, it is admirable and inspiring.

As a class, we spent time "getting to know" Alyssa through the foundation's website. My kids were marveled by her passion to read and true kindness. They all believed she would be an amazing friend and classmate!

After picking out books, we returned to our classroom to celebrate Alyssa and the magic of reading by READING! I've never seen so many beautiful books in my student's hands. They were fully engrossed in their new books! It was a very special experience for all of us. I know it will be remembered forever.

Again, thanks a million! I look forward to seeing all of you again in December. Please know that you touched and excited many children's lives today. I admire your strength and compassion!

Take Care,

Dear Alyssa's Family ~

Thank you so much for free books!
All of you people are good and very kind.
I am really sorry that you lost your
beautiful caring and loving daughter.
You must really miss her.
Now she is up in the sky watching
over you so nothing bad happens to you.
I know that you loved her very much.
Take care of yourself and
again thanks for my book The
Loon the Witch and the Wardrobe.
I always heard that books are
better than the movie.
Good luck.
